\*\*\* If you currently have a license, you should have received a renewal notice – if not, goto: <http://www.kellysolutions.com/GA/FeedDealers/>

At our January ZOOM meeting we'll have a DHI tester training session for folks that are not certified as a milk tester thru Langston – if you were certified by Langston last year, you do not have to be re-certified this year [or next year] – also, if you just want to learn about the program, log in. More info in the next newsletter. We are working on how scale certification can be done under Covid-19 safety protocols. It may be a drop off, go shop or eat in Athens and then come back and pick up your scales. If the weather is good, maybe we can do the tester training for new people outside.

We are *electing new Club officers* this month - earlier we sent out an e-mail survey request for members to nominate club members that they think would serve as our elected officers. Now it's time for you to vote on those that have been nominated. Watch your e-mail inbox & please respond by selecting those candidates you would like to have as club offic-

*ers for the 2021-2022 sessions. New officers bring new ideas.*

**NOTICE:** *the Club's Christmas Dinner usually held on the 3<sup>rd</sup> Sat. in Dec. is being CANCELED for this year due to the pandemic & for the safety of our members!*

Have a safe Thanksgiving and I hope to see you at the January Zoom meeting – presented by the Latimer's farm near Watkinsville, GA. BE SAFE!

– Mandy
